Biography

Maury Nemoy was born October 31, 1912 in Illinois. He was a distinguished master calligrapher, designer, and teacher, working primarily in California. Nemoy was a friend of Lloyd Reynolds' and a founding member of the Society for Calligraphy. His work was broadly sought after and shows up in film credits and titlings, and in both commercial and private collections. He died November 17, 1984, in Los Angeles.

Scope and Contents

The Maury Nemoy Papers contain correspondence, mostly about his calligraphic work and teaching, from the 1950s through the 1970s, and job tickets representing the great bulk of Nemoy's calligraphic work for both commercial and private clients, including the titling for many Hollywood movies.
