Biography

Richard Ritz was a Portland, Oregon architect, working for the architect Pietro Belluschi 5 years and later with Skidmore, Owings & Merrill. He published various books and articles on architecture as well as serving on such local Portland committees as the Portland Historic Landmarks Commission in the 1990s. He wrote *A History of the Reed College Campus and its Buildings* in 1990.

Scope and Content:

The Richard Ritz Papers consist of two manuscript boxes of the research materials used to write his *History of the Reed College Campus and its Buildings*.
